

Print Oasis

1. Select a Patient
2. Click the **OASIS** button on the left main menu.
3. Click on the OASIS you wish to print. That line will be highlighted.
4. You have 3 different print options, at the top of the screen:
 - a. Print Patient Tracking Sheet - M0010 - M0150
 - b. Preview Long Form - Item ID, question description, item value, answer description.
 - c. Preview Short Form - Item ID and Item Value
 - d. Check box to include answers for M0063/M0064/M0065 to the Short and Long Form
5. Once you have chosen the view you need, click the **printer icon** on the top left corner of the screen. The OASIS will print.
6. Hit **Close** or the **X** in the right corner to exit screen.
