Source of Admission

The Source of Admission is listed in the Start screen of the Referral. Below is a list of the SOA codes. Pressing the "drop down" tab by the source of admission field will pull up this same list.

Source of Admission Codes are as follows:

- o 1 – Nonhealthcare Facility Point of Origin (previously Physician Referral)
- o 2 – Clinic or Physician's office referral
- o 4 – Transfer from Hospital
- o 5 – Transfer from SNF or ICF
- o 6 – Transfer from Another Health Care Facility
- o 8 – Court/Law Enforcement
- o 9 – Information Not Available

Use of condition code 47 is required when a patient is transferred from another HHA. See KB article: When To Use Condition Code 47?
