Reports > Billing > 13.20 HHRG/HIPPS Table

Print HIPPS$

Select the time period and then county to run the report with a list of HHRG/HIPPS and the amount. Click on Print HIPPS$ to run the report.
The header of the report shows the wage index and the base rate. The last page gives you the going LUPA rate per discipline.

Compare YYYY to YYYY

This will show you the difference between the HHRG table for the previous year to the current year. The last page will give you the average difference rate. The previous year and current years base rate can be found at the header of the report.

Print Case Mix Weights

View the HIPPS and Weight for each year.
