View Discharge Reason Summary

From the **Main Menu** in **Barnestorm Office** click on **Reports** > **Referrals** > **Discharge Reason Summary**.

o **Starting Date** = Starting of the discharge date.

o Ending Date = Ending of the discharge date.

o Program / Payer / Team = Filter report by entering program, payer, team numbers. Or leave blank to select all.

This report will show you a graph with the percentage of each discharge reason. It also includes an itemized list of each discharge reason code and how many patients were discharged.
