

## Where Do I Enter Remarks/Comments on a Claim

From Main Menu:

1. Pull up the client
2. Click **Referrals**
3. Click **Payers**
4. Select the payer
5. Click **Extra Billing Info**
6. At the **Remarks** field, enter your comments
7. Click Save

The space in the remarks field is just enough to fit in the remarks section of the claim form. So characters are limited.
