

08.23 Print Employee Reports

From the **Main Menu** in **Barnestorm Office** click on **Reports > Employees > 08.23 Print Employee Lists**. Select which report you want to run by clicking on a **Print Sequence** and **Format**. You can choose active or terminated employees, full time or part time. Below is a list of **Formats** and information for each report. The bottom portion allows you to select specific employees, programs, office, or team numbers. To print multiple employees enter the four digit employee number then a comma and then the next employee number.

Mark employee as Full Time or Part Time = In the **Status** field key in **F** or **FT** for Full Time and **P** or **PT** for Part Time. This feature will work when running this report using the Full Time or Part Time filter.

How to Run the Report

o **From / Thru** = Can indicate the dates employees were active, hired or terminated. For a list of current active employees use current date for both fields.

o **Program(s) / Team(s) / Employee(s)** = Filter report by entering program, team and/or employee number(s). Or leave blank to select all.

o **Active / Hired / Terminated** = Select the filter needed.

o **All / Full Time / Part Time** = Filter the employees by selecting all or full time only or part time only (only works if you are using the Status field).
