

## Missing OASIS HIPPS Code

When M0110 is set to NA, no HIPPS code can be generated.

If the OASIS has a Reason for Assessment (RFA) of 06 - 09 then a HIPPS code is not generated.

This report: **Reports > OASIS > 13.51 Missing HIPPS Codes** will give you an alpha list of all OASIS without a HIPPS code and will include the answers to M0110, M0150, M2200 and RFA.

The starting and ending date pulls the M0090 date.
