

NEWS: Upcoming Barnestorm Changes

POC

Orders/Goals: Now has 485 boxes 14 - 20 also, for quick entry using tabs.

Supervision: Screen update to add space, and PTA and LPN have comment areas for Supervision and Tasks.

Fall Assess: Tinetti Balance and Gait assessments added.

Fixed print of M1307 date on D/C oasis.

Neuro: Adjusted M1700-1750 visibility for recerts; use first 2 PHQ-9 items on recerts for the equivalent of PHQ-2.

Care Coord Notes: Added checkbox to make discussion optional.

Injections: added to PT for discharge OASIS.

Office

Fixed print of M1307 date on D/C oasis.

Reports(NEW): search for a numbered report now works.

Reports(NEW): new report Misc 08.41 to print Order/Goals pairs.

Supply charges - added option to print imported supplies.

Billing: Added process for NC Medicaid Carolina Access Override; added special handling for ISA07 = 33.

Search: if the search text is just a colon (:) then look for discipline keywords (from chart audits).
