For the Face-to-Face meetings, use this printout:

1. Click the **Select Patient** button on the Barnestorm main menu.
2. If you only need the printout for one program (such as Hospice), select the Program from the drop-down menu.
3. From the VIEWING drop-down select the 485s Expiring option.
4. As needed, change the Show number of days to a greater number.
5. This will give you a list of patients, their last 485 thru date, and the number of days active.
6. Click the printer icon to print the report.
