Claim Denial Reason Codes

As a Billing Professional, part of your job description is to determine why a claim denied and then resolve the issue. Although Barnestorm can assist with this now and then, Barnestorm support cannot be used to troubleshoot all of your denials.

PalmettoGBA has created a Claim Submission Error Help tool that includes resources for resolving the top claim submission errors. Please click the link below and look up the reason codes to determine why your claim denied:

Jurisdiction 11 Home Health and Hospice: Claim Submission Error Help
