This feature can be found from **Barnestorm Office > Billing Inquiry** or From **Accounts Receivable > Inquiry > Billing Inquiry.** 

Enter the patients six digit chart number or search for the patient by their last or first name. Enter a **From** and **Thru** date of the date range you want to view or click the **485s** button and select an episode – this will change the From and Thru date to match the episode dates.

Click the **Visits Calendar** button to view all discipline visits. Check the **Therapy Only** box then click the **Visits Calendar** to only view therapy visits. Selecting therapy only is a quick way to view how many visits they had and when the last assessment was done.
