

Where Is The QAPI Report?

From the Barnestorm Main Screen, you will need to pull up a **Hospice** Patient (By first name, last name, or enter the chart number). Once you select that patient, the tab (under the 485 tab) will change from OASIS to **Hospice Item Set**. Select **Hospice Item Set** and a separate screen will appear.

Click [here](#) for detailed info on the QAPI Report.
