My Insurance Company Denied Claim - Missing G Codes/HCPCS codes

If your insurance company has denied your claim, due to missing G codes/HCPCS codes, you will need to modify that payer's setup.

1. From the Barnestorm Office main screen, click the **Codes** tab

2. Click **Program Related Codes**

3. Click **Payer Codes**

4. Enter Program and Payer

5. At **Use Medicare HCPCS**, select **Yes**

6. Click **Save**

Recreate claim and print.
