Revenue Code Needs To End With a 1 Instead of a 0

In some cases, a payer may require the Revenue Code to end with a 1, instead of a zero. If your payer has this requirement, follow these steps in Barnestorm Office:

a. From the Main Menu, click **Codes.**
b. Click **Program Related Codes.**
c. Click **Payer Codes**.
d. Type in the Program and Payer Code.
d. Look towards the bottom of the screen. Click **Y** to "**Force Revenue Codes that end in 0 to end in 1**"
e. Click **Save** and Exit
f. Follow procedure to create claim.
