How To Run The Report

From Barnestorm Office click Reports > Hospice > 06.03 Hospice Patients and Days by County/Payer. This report displays Hospice Patients and Days by County/Payer.

- From Date and Thru Date:

From Date: it uses the latest date from the facility from date, the admit date, or the report from date;

Thru Date: it uses the earliest of the facility thru date, the d/c date, or the report thru date; then calculates the days

- **Program and Payer** - Enter the program or payer; or leave blank to view all.
- Discharge Reason Codes for Expired - In this field, you will enter all the D/C reason codes for expired. Commonly used are 01,02,09.
- By County/Payer - Checking this box will display contents by County/Payer.
- **By Payer** - Checking this box will display contents by Payer.
- By County - Checking this box will display contents by County
- **Facility Details** - Details by patient on facility type, admit date, from and thru dates of facility entry.

NOTE: You also have the option to check multiple boxes, to view the various display options. If you choose 2 of the 3 and hit Print, after hitting **Close** to exit the first view, the second display option will appear. If you choose all 3 and hit Print, after hitting **Close** to exit the first view, the second display will appear. Hitting **Close** again, the third display option will appear.
