

View Bereavement Assessments on Time Sheets

This feature will allow the bereavement assessments to show up on the employees time sheet. A single visit status code needs to be created and added to the global setting in order for them to show up.

One-time Visit Status Setup

1. Barnestorm Office > Codes > Program Related Codes > Visit Status Codes
2. Enter the Program number of the Hospice program
3. Either key in a three digit code you want to use or click on "Show Available Codes for Program" and select from the list
4. Enter a description, ie. Bereavement Assessment
5. Check No for Chargeable, Care Given and Real Visit
6. Click on **Save**

Global Setting Setup

1. Go to Barnestorm Office > Security > Global Settings > Time Sheets
2. From item 1019 enter the new Visit Status Code

The assessments that are keyed into the Bereavement feature will show up on the employees time sheet.
