

COVID Visit Assessment

COVID screen in the Visits/Assessments allows you to document the PPE used for that visit and teaching that was done.

Note: Each agency can control the content of this screen, along with the required and optional settings for each discipline/visit assessment type by using the Note Codes and Assess Forms features in Barnestorm Office.

PPE Used on Visit			
<input type="checkbox"/> Standard precautions	<input type="checkbox"/> Mask-Cloth	<input type="checkbox"/> Mask-Surgical	<input type="checkbox"/> Mask-N95
<input type="checkbox"/> Faceshield	<input type="checkbox"/> Gloves	<input type="checkbox"/> Gown	
<input type="text"/>
