Cancel a Visit — Non-Chargeable

Mark a scheduled visit as canceled from the EVV Visits screen. Canceled visits are non-chargeable and are not sent to the EVV aggregator.

Watch: Cancel a Visit

How It Works

- Select the visit that needs cancelled.
- Click the **Cancel** button.
- Select the **Visit Type** reason for the cancellation.
- The end time automatically changes to match the start time.
- Add **Comments** if needed.
- Click on **Update Visit**.
