

Cancel Visit - Non-Chargeable

You can mark a scheduled visit as cancelled from the EVV Visits screen in Barnestorm Office. These will be non-chargeable and they do not send to an aggregator.

How It Works

- Select the visit that needs cancelled.
- Click the **Cancel** button.
- Select the **Visit Type** reason for the cancellation.
- The end time automatically changes to match the start time.
- Add **Comments** if needed.
- Click on **Update Visit**.
