

This report will display a listing of your patients with IV documentation. To access the report, go to **Reports > Patient > 11.02 IV Patients**.

How to Run the Report

- **Starting Date** = Type in your Starting search date.
- **Ending Date** = Type in your Ending search date.

After you've made your selection above, click **Print the Report** to view the report.

- **Due to the amount of text that generates for this report, the report is only available in Excel format. When clicking the Print button, a separate window will appear to save the spreadsheet to your desired location. Click Save once you've selected the folder to save to.**

Information Included in the Spreadsheet

- **ChartNum** = The patient's assigned chart number.
- **PatName** = The patient's name as keyed in the referral.

11.02 IV Patients

- **TimeIn** = The date of assessment/visit.
- **Description** = The comments from the IV section of the assessment.
